#### ***Message from the Principal:***

We are providing a copy of El Reno High School's 2016 Office of Educational Quality and Accountability School Profile. This profile reflects student data from the **2016-2017** school year not the 2017-2018 school year. We know that every year is a new challenge and we are constantly preparing ourselves for what lies ahead. While you celebrate success and reflect on achievement, you quickly turn your focus on finding ways to improve. As a valued stakeholder in our school, we welcome your input and collaboration. We look forward to opportunities to share ideas with you.

As always we are working extremely hard to focus on student growth and achievement and to provide the best educational opportunities we can for our students. Please feel free to contact the school if you have any questions or if there is anything we can do to assist you.

Thank you,

Pat Liticker – Principal
